No content published on this site constitutes a recommendation of any particular investment, security, a portfolio of securities, transaction or investment strategy or an offer to sell or a solicitation of an offer to buy any securities and may not be relied upon in connection with any offer or sale of securities. Hyperlinked or referenced third-party content is not under the control of AEA or ACP and we are not responsible for, nor do we certify or endorse, such content or site. Any offer to sell or solicitation of an offer to purchase will be made only pursuant to a confidential private offering memorandum (each, a "memorandum") or other final offering materials of the applicable entity, investment vehicle or account. The information on this website is qualified in its entirety and limited by reference to such memorandum or such final offering materials, and in the event of any inconsistency between this website and such memorandum or final offering materials, the memorandum or final offering materials shall control. Any references herein to "registered investment adviser," "registered broker-dealer", "registered," "fiduciary" or other attribute or qualities of AEA, ACP or its financial professionals does not imply a certain level of skill or training and should not be construed as unique. In addition, any references to other attributes or qualities of AEA or ACP should not be construed to be unique to these firms.

Past performance of similar investments is not indicative of future results. You should not assume any of the investments illustrated on this site were or will prove to be profitable, or that the investments or decisions AEA makes in the future will be profitable or will equal the past investment performance of the investment types noted on this website. Investing in AEA or ACP products involves the risk of loss of your entire investment. The information presented is intended to show AEA and ACP's history of deals or investments to give some indication of our investment focus and is for illustrative purposes only. Thus, the information presented about our past transactions should not be relied upon as equivalent or even similar to a future Fund's strategy, investment types, or likely actual performance.

More information about AEA, including its investment strategies, objectives and fee schedule, can be found in its form adv part 2a, which is available from the SEC's [investment adviser public disclosure database](#) and upon request.
